Trustee

Thank you for your interest in the role of Trustee.

Sophie Hayes Foundation is the only independent organisation in the UK that solely focuses on helping women survivors of modern slavery build confidence through coaching and skills development that leads to education, employment, and independence, helping them to achieve sustainable freedom.

Our mission is to reach the thousands of women survivors of modern slavery in the UK today to shape a better future for themselves. We provide coaching and development programmes to remove barriers to freedom, including vocational work placements, internships, volunteer opportunities, training, and formal education.

We are committed to creating a society that views and treats these women with respect, leading to a better society for us all.

Our unique programmes have been designed to support women by sharing essential life skills that will help with confidence building, followed by essential skills development for future employment and education. All of which are important for living independently, finding work, and remaining free.

We are currently looking for a senior leadership level volunteer with previous board experience and legal expertise to join the Sophie Hayes Foundation Board as a Trustee.

This committed individual will join to help the charity through a period of growth, providing specialist knowledge in key areas. They must also support our mission, be aligned to our values, and be able to act as an ambassador for the organisation.
